Dear John:

STATINTL

In answer to your letter of 28 February 1967, I am sorry to have to report to you that [REDACTED] is an acceptable candidate for employment with the Agency. STATINTL

[REDACTED]  
 spect, the Agency is prohibited as the result of an inter-agency policy agreement, from offering employment to a former employee of the Peace Corps until after the individual has been separated from the Corps for at least 5 years. STATINTL

[REDACTED]  
 him of this bar to his employment. If he expects to find employment with some sensitive activity, it would be to his advantage to have his wife become a citizen of this country as soon as possible.

I am sorry to have to report negatively on these two excellent candidates. I appreciate your quick response to my letter and hope that there may be others who would be qualified and interested in our Summer Intern Program.

Sincerely,

/s/ Jim
